

Dear Member of the Harwich Community:

Pilgrim Congregational Church is pleased to announce the availability of the Pilgrim Congregational Church Scholarship to be awarded in June, 2023. The Scholarship is awarded to a high school senior or adult learner who plans to matriculate to college, graduate school, community college or trade school.

Applications will also be considered on a rolling basis for coursework or continuing education opportunities to enhance a learner's skills or career opportunities.

Scholarship amounts will vary between \$250 to \$1500 depending on the number of applicants, funds available and nature of involvement in our community.

The scholarship application can be found on the Pilgrim Church website. The Committee awards the scholarship to individuals who have demonstrated involvement in our community defined broadly as locally, nationally or internationally.

For degree studies, please submit your application by June 1, 2023. Awards are announced by June 30, 2023. Upon successful completion of the first semester of study the student will receive the funds. Proof of completion of coursework, such as a grade report, will be required.

Potential applicants who have questions or seek more information can contact the church office at 508-432-1668.

Yours,

Beverly Nightingale, Pilgrim Congregational Church Women's Fellowship

Rev. Amie Giguere, Pastor
